Introduction

Mission

Rogue Community College enhances the quality of life in our communities by providing accessible, exemplary educational opportunities for student success and economic development.

Vision

Rogue Community College will be an inclusive and dynamic college that inspires, strengthens, and transforms.

Core Values

Integrity drives us as an institution and individuals to demonstrate clear communication, transparency, ethics, and accountability.

Collaboration promotes a communicative, agile, responsive culture that fosters vibrant, productive partnerships to benefit our students and strengthen our communities.

Diversity, Equity and Inclusion create an accessible, welcoming, respectful and safe environment which engages all individuals, beliefs, and ideas fairly.

Sustainability guides us to be responsible and thoughtful stewards of our human, economic, environmental, and cultural resources.

Courage frees the institution and individuals to creatively pursue best practices supporting student success.

About the College

Rogue Community College, founded in 1970, is a comprehensive public two-year community college dedicated to enhancing the quality of life in our communities by providing accessible, exemplary educational opportunities for student success and economic development. The College fulfills its promise to the community by providing access to higher education, supporting student success, and ensuring its mission, vision and values, programs and services reflect community values and needs.

The Rogue Community College District, situated in the picturesque Rogue Valley, spans a vast 4,453 square-mile area, covering Josephine and Jackson counties. The total population of these two counties in 2024 is estimated at 308,589, reflecting a 5% increase since 2015.

Named after the Rogue River, which originates as a spring on the west side of Crater Lake in the Cascade Mountains, the river meanders 215 miles before reaching the Pacific Ocean. As it departs the Cascade Mountains, the Rogue River gracefully winds its way through the Rogue Valley, encompassing Josephine and Jackson counties. Positioned midway between Seattle and San Francisco along the Interstate 5 corridor, the Rogue Valley extends to the Oregon-California border.

About the College

Established in Josephine County in November 1970 through a vote of the electorate, the College expanded its reach on May 21, 1996, when voters in Jackson and Josephine counties approved the extension of the College's boundaries. This annexation became effective on July 1, 1997.

An elected seven-member Board establishes the policies of the College. Each member of the Board is elected to a four-year term. The Rogue Community College Board of Education, operating within the bounds of state law, is dedicated to representing the public interest, establishing institutional policies, overseeing the college president, delegating authority for effective leadership, ensuring fiscal health and stability, monitoring institutional performance and educational quality, and advocating for and protecting the interests of Rogue Community College. As the College's Chief Executive Officer, the President in collaboration with administrative staff oversee the day-to-day operations.

The Oregon State Board of Education establishes state standards for educational programs and facilities, approves courses of study, and adopts regulations for Oregon's community college system. Additionally, the Director of the Department of Community Colleges and Workforce Development serves as the administrative officer of the state of Oregon under the direction of the Higher Education Coordinating Commission (HECC).

- Over 9,000 credit and non-credit students choose RCC every year.
- RCC is accredited by the Northwest Commission on Colleges and Universities. RCC also is approved by the Veterans Administration as a veterans training institution.
- Five programs at the College have achieved the standards for specialized accreditation: Nursing, Emergency Medical Services, Dental Assistant, Dental Hygiene and Massage Therapy.
- RCC offers multiple transfer degrees; more than 80 career and technical education degrees or certificates; and a variety of workforce and short-term training, academic skills, and continuing and community education classes; plus services to the business community.
- The College operates three comprehensive campuses and has a robust online offering.
- RCC's fiscal year (FY) runs from July 1 through June 30.

College Demographics

Each of the three comprehensive campuses provides lower-division college transfer courses, two-year associate degree programs, and career/technical training programs. During the 2024-25 academic year the College served 9,600 students representing 3,955 full-time equivalent (FTE) students. Students may attend one or more campuses as well as virtual formats.

The Redwood Campus (RWC) is the College's founding campus. It is located on 88 wooded acres, five miles west of the city of Grants Pass. The campus was originally constructed in the late 1960s as a federal training facility known as the Fort Vannoy Jobs Corps Training Center. Remodeled in 1989, the spacious campus of wood-framed buildings creates an informal atmosphere geared to student learning and success.

In August 2019, the College completed the remodel of Deschutes (D), a 6,246 square foot building. In 2023 the newly constructed Redwood Campus Science Center, housing a student common space, classrooms, labs, two large greenhouses and faculty offices, was completed and operational for Fall Term 2022-23.

In August 2025, the College celebrated the grand opening of its newly renovated E Building. The \$3.95 million renovation transformed the 9,894-square-foot facility into a state-of-the-art training hub for RCC's growing Allied Health programs, greatly expanding opportunities for healthcare education in Josephine County.

College Demographics

The Riverside Campus (RVC) is located in the heart of downtown Medford, spanning a two-block radius, where it plays a key role in the educational and cultural renaissance occurring in Medford. RVC is the home of the College's transfer and Human Services programs.

RVC is also home to the RCC/SOU Higher Education Center (HEC). The HEC is a landmark building shared with our partner, Southern Oregon University. Here both institutions work together to create a supportive environment for students pursuing two-year, four-year, and graduate degrees. HEC is 68,700 square feet, housing classrooms, science labs, computer labs, and a Business Center.

In addition to being an example of cooperation and collaboration between the two institutions, the HEC serves as a model of environmental stewardship.

The design team worked with faculty, staff, students, and community members to establish the green priorities for the project. It received a Platinum Leadership in Environmental Design (LEED) certification from the U.S. Green Building Council.

College Demographics

The Table Rock Campus (TRC) is located in an industrial park in White City and is a high-tech facility housing professional and technical programs. The original 102,000 square foot building is currently home to diesel technology, fire science, emergency medical services (EMS) and apprenticeship. In addition, the physical therapy assistant program offered through Lane Community College is housed in this building. The adjacent High Technology Center (HTC), a 12,000 square foot facility, offers mechatronics, advanced manufacturing, welding, and related programs. The campus is also home to the Health Professions Center (HPC), a 35,648 square foot building which houses the College's dental assistant, dental hygiene, allied health, and nursing programs. In 2023, the College acquired a 10-acre property adjacent to the campus, which includes a 20,000-square-foot industrial building, providing valuable space for future growth and development.

In fiscal year 2024/25, the College submitted a Declaration of Official Intent to proceed with construction of Transportation and Technology Centers at RWC and TRC with a total cost estimate of \$17 million. The Oregon Department of Administrative Services Capital Finance & Planning Section has confirmed our declaration of intent to seek \$7.1 million in Article XI-G matching bond funds.

In addition to these physical locations, the College also offers online classes through its virtual campus, providing remote learning opportunities to a diverse student body. During 2024/25 online and other options served 5,824 students representing 1,470 FTE. This digital platform continues to be a valuable resource for academic engagement and flexibility.

1. Budget Officer

The College’s Vice President of Operations and Finance shall be the College’s Budget Officer and is jointly responsible, with the President, for the preparation of the budget and for submission of the budget to the College District’s Budget Committee, the Board of Education (Board) and to other agencies as may be required in accordance with Oregon Local Budget Law.

2. Budget Calendar

Each March the Board will adopt a budget development calendar that identifies activities and sets dates for each step in the budget development process.

3. Budget Preparation

Each year the annual budget will be developed in a collaborative environment, support the institutional goals established by the Board, and be directly or indirectly linked to institutional planning efforts. The College’s internal Budget Advisory Team (BAT), with representative membership from all employee groups, college divisions, Associated Student Government, is instrumental in the budget process. BAT actively collects input from the college community at large, researches, and makes recommendations to Senior Leadership Team regarding the budget.

Strategic Planning

About Strategic Planning

RCC's Strategic Plan was approved by the Board of Education on June 16, 2015. The purpose of a strategic plan is to help the College address its most pressing challenges over a realistic time frame to better serve students and the community. A wide range of faculty, staff, students, and community representatives work collaboratively to update the college mission, vision, and values, and create a multi-year plan.

The Strategic Plan is supported by both institutional wide strategic initiatives (such as implementing Guided Pathways), and yearly departmental planning. Departments play an important role in mission fulfillment. During the annual planning process, departments across the campus align their yearly goals to the overall strategic plan and assess goal outcomes.

By engaging in this goal alignment process and measuring outcomes, departments can directly impact RCC's overall objectives. They are generally the first in identifying goals specific to their work within the College, and identifying their importance. With all departments creating goals appropriate to their work, but moving in a common direction, together the departments can have a large collective impact on meeting RCC's "Wildly Important Goals".

The institutional strategic plan serves as a tool to align everyone within the institution, organizing movement in a common direction. It acts as a tool to break down silos, with the ultimate goal of fulfilling RCC's mission.

Wildly Important Goals: Core Themes

WIG 1: **Equitable Access** creates a welcoming and inclusive environment for all.

- Objective 1: Improve community access to educational opportunities and support systems.
- Objective 2: Foster greater participation of under-served populations in RCC programs.
- Objective 3: Strengthen adaptable and responsive training and learning opportunities aimed at boosting student participation.

WIG 2: **Student Success** helps all students progress on their learning pathway.

- Objective 4: Provide holistic resources and support to ensure students meet their learning goals.
- Objective 5: Employ effective student engagement strategies to increase student persistence.
- Objective 6: Reduce the time and number of credits to completion of a credential.

WIG 3: **Building Community** strengthens and expands internal and external collaborative partnerships.

- Objective 7: Expand comprehensive outreach with business and industry partners.
- Objective 8: Foster advanced educational partnerships to enrich learning opportunities
- Objective 9: Enhance internal systems and communication practices for improved collaboration

WIG 4: **Institutional Excellence** builds a campus culture of continuous improvement

- Objective 10: Utilize assessment and institutional data to optimize instruction, services and operations in support of student success.
- Objective 11: Increase participation in professional development programs that elevate teaching and learning, student success, and operational effectiveness.
- Objective 12: Leverage existing, new, and emerging technologies to improve the student experience and operational efficiency.

WIG Objectives revised 10/15/2024

Budget Processes

Budget Processes

A budget is a financial plan containing estimates of revenues and expenditures for a single fiscal year or biennial budget period. Budgeting allows a local government to evaluate its needs in light of the revenue sources available to meet those needs. A complete budget justifies the imposition of property taxes and the making of the appropriations that give the government its authority to spend public money.

Budgeting is not simply something a local government does once every year or two. It is a continuous process, taking 12 to 24 months to complete a cycle. The budgeting process has four parts. The budget is: 1) prepared, 2) approved, 3) adopted, and 4) executed. After adopting the budget, the governing body makes the necessary appropriations and certifies to the county assessor the tax to be imposed. Oregon's Local Budget Law has several important objectives (ORS 294.321):

- To establish standard procedures for the preparation, presentation, administration and appraisal of budgets of municipal corporations;
- To provide for a brief description of the programs of a municipal corporation and the fiscal policy which is to accomplish these programs;
- To provide estimates of revenues, expenditures and proposed taxes;
- To provide specific methods for obtaining public views in the preparation of fiscal policy;
- To provide for the control of revenues and expenditures for the promotion of efficiency and economy in the expenditure of public funds; and
- To enable the public, taxpayers and investors to be apprised of the financial policies and administration of the municipal corporation in which they are interested.

Oregon's Local Budget Law is found in Oregon Revised Statutes (ORS) 294.305 to 294.565. The full text of these statutes can be found on the [Oregon Legislature website](http://www.legislature.oregon.gov).

The Rogue Community College budget office:

- Prepares and distributes the annual budget document
- Maintains and updates the College's annual budget
- Provides information, training and assistance to division/department budget administrators
- Prepares budget and financial reports

Budgeting Controls

The annual budget serves as a quantitative manifestation of the College's mission, providing a foundational framework for financial planning and control. In accordance with the State of Oregon's requirements, the College is mandated to adopt an annual budget subject to the stipulations of the Local Budget Law, as outlined in Oregon Revised Statutes chapters 294 and 310. This budget, a roadmap for the financial operations in the upcoming fiscal year, is formally adopted annually before July 1.

The development of the budget involves substantial College-wide engagement. Throughout the planning process, our primary focus is on striking the optimal balance among revenues, expenditures, and program and service levels, all while taking into account the economic realities of our community. Playing a pivotal role in this process, the Budget Advisory Team (BAT) brings together representatives from all employee groups, College divisions, and the Associated Student Government. Beginning with the 2024-25 budget cycle, the College adopted a modified form of zero-based budgeting, enhancing our efforts to ensure resource allocation aligns strategically with our priorities.

MODIFIED ZERO-BASED BUDGETING

- Emphasis on the "Why" of decisions
- Future-oriented perspective
- Concentration on programs or activities
- Decision-making guided by planning
- Increased participation through preparation and review

BUDGET MANAGERS

- Input into BudgetPak
- Notes on all accounts
- Tie all costs to strategic plan

DEPARTMENT OPERATIONAL COSTS

Budgeting Controls

Board of Education Members

The District Budget Committee, comprising fourteen members—seven from the College's community and the seven elected Board members—plays a crucial role in the budgeting process. Tasked with analyzing and endorsing the proposed operating budget, the committee forwards its recommendations to the College's Board of Education for final consideration.

As part of the transparent budget review and approval process, the committee conducts public meetings, inviting community members to provide testimony on the budget before its approval. It is important to note that the committee's focus is on fiscal matters, and it does not delve into educational and personnel concerns. This collaborative and transparent budgeting process underscores our commitment to responsible financial stewardship and community engagement.

Budgeting Controls

Following District Budget Committee approval, the Board holds a public budget hearing. The purpose of the hearing is to provide the citizens of the community an opportunity to give testimony on the approved budget prior to its adoption.

The College maintains budgetary controls to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the Board. The activities of all funds are included in the annual appropriated budget as required by state law.

The level of budgetary control (the level at which expenditures cannot legally exceed the appropriated amount) for all funds is established at the function level. Transfers between existing budget appropriations can be authorized by resolution of the Board.

RCC Board Members

Budget Development Process

Rogue Community College (RCC) follows Oregon Local Budget Law. The budget is a quantitative expression of the mission of RCC and provides a foundation for the College's financial planning and budgetary control. The budget development process is designed to encourage citizen input and public opinion about College programs and fiscal policies.

I. Establish a Budget Committee

The Rogue Community College District Budget Committee consists of all seven-elected Board of Education members as well as seven board appointed community members. Terms are staggered so that about one-third of the appointed terms end each year.

II. Appoint a Budget Officer

Rogue's Budget Officer, the Vice President of Operations & Finance/Chief Operations Officer, is appointed by the Board of Education.

Purpose of Local Budget Law

Budget Development Process

III. Prepare a Proposed Budget

The Budget Officer supervises the preparation of a proposed budget, which includes the following actions:

1. Develop Resource (Revenue) Estimates
2. Budget Managers Develop Requested Base Expenditures Budgets Using a Modified Zero-Based Budgeting Approach
 - a. Emphasis on the "Why" of Decisions
 - b. Future-Oriented Perspective
 - c. Concentration on Programs or Activities
 - d. Decision-Making Guided by Planning
 - e. Increased Participation through Preparation and Review
 - f. Personnel is Reviewed Using a Strategic Look at Staffing through the Lens of Goals, Workload Demands, and Future Planning
3. Estimate Preliminary Surplus/Deficit
4. The College's Executive Team Reviews and Determines Changes to Base and Final Budgets
 - a. Align with Strategic Directions
 - b. College-Wide Perspective
 - c. Analyze Department Needs and Requests
 - d. Prepare Tuition Rate Recommendation
 - e. Prepare Reduction, Reallocation and Investment Recommendations
5. Prepare Budget Message for the District Budget Committee, Public, Employees and Other Stakeholders
6. Discuss Budget Assumptions with District Budget Committee

Budget Development Process

IV. Public Notice

Rogue's Budget Officer publishes a public Notice of District Budget Committee Meeting(s).

V. Budget Committee Meeting(s)

At least one District Budget Committee meeting is held to

- review the budget message and document;
- receive public comment;
- revise and complete the budget as needed.

VI. Budget Approval

When the District Budget Committee is satisfied with the proposed budget, including any additions to or deletions from the one prepared by the Budget Officer, the budget is approved.

Note: If the budget requires an ad valorem tax to be in balance, the budget committee must approve an amount or rate of total ad valorem property taxes to be certified to the assessor.

VII. Publication

After the budget is approved, a budget hearing is held by the Board of Education. The Budget Officer publishes a summary of the approved budget and a Notice of Budget Hearing.

VIII. Budget Hearing

The Budget Hearing is held to receive citizens' testimony on the approved budget.

IX. Adoption

The Board of Education enacts a resolution to formally adopt the budget; make appropriations; levy and categorize taxes. The resolution must be adopted no later than June 30.

Budget Development Process

X. Budget Filed and Levy Certified

A copy of the complete budget is sent to the Josephine and Jackson County Clerks. When levying a property tax, RCC's Budget Officer submits notice of levy, categorization certification and resolutions to the County Assessor's office by July 15.

Budget Development Timeline

Long-Term Financial Planning

As Rogue Community College transitions into the 2026/27 fiscal year, its financial planning is guided by a clear understanding of both the opportunities and challenges ahead. Personnel costs continue to be a major factor in long-term financial planning. The College anticipates PERS rates will reach approximately 20.8% in 2026/27. RCC's 2021 decision to bond its unfunded actuarial liability helped stabilize short-term costs, but the long-term trajectory of retirement obligations remains a concern. The College is responding by prioritizing strategic staffing decisions and maintaining flexibility in its financial planning.

RCC's modified zero-based budgeting approach remains central to its financial strategy. This method ensures that all expenditures are evaluated against institutional priorities and planning objectives, enhancing transparency and accountability. Budget managers are actively engaged in reviewing and justifying costs, which supports a culture of intentional resource allocation. The College will continue to utilize reserves strategically to support operations and targeted investments.

Despite ongoing pressures, RCC remains committed to maintaining a reserve balance of approximately 25% of general fund revenue. This disciplined approach provides stability and flexibility, allowing the College to respond effectively to economic uncertainty and policy changes.

Planned investments will focus on instructional technology, infrastructure improvements, and deferred maintenance, all of which support access, student success, and institutional excellence. RCC's long-term financial planning is grounded in strategic priorities, data-informed decision-making, and a commitment to fiscal stewardship. The College is well-positioned to navigate future challenges while continuing to serve its students and community with excellence.

Accreditation

Accreditation is a voluntary process that fosters excellence in education through regular assessment and continuous improvement practices. Other advantages include student access to federal financial aid and College access to state and federal grants and funding. Students graduating from an accredited College will also enjoy smoother transfer experiences from the College to other colleges and universities within the state and nationwide.

The College is a regionally accredited, comprehensive, two-year public institution in southern Oregon, serving both Jackson and Josephine counties through its three campuses. The College's accreditation status has continuously been affirmed since receiving correspondent status in 1971. The Northwest Commission on Colleges and Universities (NWCCU) is the regional accreditation authority operating under the U.S. Department of Education. NWCCU accredits institutions of higher education by applying data- and evidence-informed standards and processes to support continuous improvements and promote equitable student achievement and success. The new 2020 accreditation standards for NWCCU focus on Institutional Effectiveness, Student Success, and Student Learning. The next full reaccreditation visit by NWCCU is expected in the Fall of 2026.

Rogue Community College complies with NWCCU accreditation standards, policies and practices for the benefit of the College and the students it serves. Advantages of accreditation include:

- Ease of transfer of credits to other colleges and universities.
- Access to and eligibility for federal financial aid for students.
- Access to and eligibility for state and federal grants and other funding for college programs and services.
- Recognition as an educational institution that fosters excellence and engages in continuous improvement practices.
- Opportunity to compare and measure effectiveness against state and nationally recognized norms and trends in higher education.
- Recognition of students' degrees and certificates by employers.

Accreditation

Five programs at the College have achieved the standards for specialized accreditation: Nursing, Emergency Medical Services, Dental Assistant, Dental Hygiene and Massage Therapy. Specialized accrediting agencies accredit individual educational programs with regard to program-specific standards. Each of these specialized organizations has its distinct definitions of eligibility, criteria for accreditation, and operating procedures. Educational programs accredited by specialized accrediting agencies may reside within comprehensive institutions or within single-purpose institutions. Please visit www.roguecc.edu/accreditation/specialized for more details.

The College is also approved as a veterans training institution by the U.S. Department of Veterans Affairs.

Budget Message

Budget Message

May 2026

We're pleased to present the 2026/27 budget for Rogue Community College. This budget reflects our continued commitment to delivering high-quality, affordable, and accessible education that supports our students' success and the vitality of our region.

As we move into 2026/27, the College continues to work toward full alignment between ongoing revenues and expenditures. While progress has been made through careful cost management and more intentional resource alignment, a gap remains. This gap reflects broader challenges within Oregon's community college funding structure, where revenue growth has not kept pace with the rising cost of delivering education. These pressures are not unique to RCC. They are being experienced across the state, highlighting a structural imbalance in how postsecondary education is funded. Recent legislative action, including HB 4124, signals growing recognition of these challenges and the need to reassess long-term sustainability.

Within this context, the College has approached the 2026/27 budget with a focus on fiscal discipline and clarity of purpose. The reality of constrained resources requires careful evaluation of all decisions and reinforces the importance of aligning expenditures with our strategic and financial priorities. As a result, the investments included in this budget are targeted and intentional, focused on areas most directly supporting student success, sustaining core operations, and positioning the College's responsiveness to the needs of our students and community.

Through our modified zero-based budgeting model, RCC re-evaluates all materials, services, and capital needs each year from scratch, while positions and benefits are developed from the prior year's base and adjusted for approved changes. This method has successfully enhanced engagement across the College by involving more stakeholders in every stage of the process. At the heart of this approach is a thoughtful examination of the "why" behind each financial decision, ensuring alignment with strategic goals and supporting informed, forward-thinking decisions benefiting the entire organization.

Budget Message

May 2026

Each department developed its requested budget based on department needs and goals. Department budgets were combined by division for review and modification through a divisional lens, ensuring proposals align with each division's specific needs and goals. From there, the Executive Team (E-Team) reviewed the entire requested budget from a college-wide perspective, focusing on aligning resources with our highest institutional priorities. This approach reinforces shared ownership of the budget and ensures that decisions are informed by both local context and college-wide priorities.

We want to recognize and thank faculty and staff for their continued dedication to our students and to one another. Their efforts have allowed the College to make meaningful progress in expanding access, strengthening student support, and improving outcomes, even amid financial constraints. This reflects a shared commitment to our mission and to serving the community. We also recognize ongoing financial constraints can impact workload and capacity. We remain committed to supporting employees while continuing to move work forward together. We are proud of what has been accomplished together and appreciate the flexibility, professionalism, and care all employees continue to bring as we navigate challenges and take intentional steps to position RCC for continued strength, stability, and responsiveness in the years ahead.

Balanced Budget

As required by Oregon State Budget Law, the Oregon Community College Accounting Manual, and other applicable policies, we hereby present to the Rogue Community College District Budget Committee and the Board of Education a balanced budget for the 2026/27 fiscal year. The budget is a quantitative expression of Rogue Community College's mission to provide the highest-quality education possible while keeping costs at a reasonable level.

Budget Message

May 2026

As with past budgets, the 2026/27 budget has been prepared on a modified accrual basis of accounting (revenues reported when earned; expenditures reported when the liability is incurred; taxes accounted for on a cash basis). The result is that carryovers of financial obligations from year to year are precluded, and projections of anticipated revenues are not inflated.

Economic Environment

The March 2026 Oregon Economic and Revenue Forecast indicates that both the national and state economies have shown greater resilience than expected following a period of uncertainty in 2025. Despite elevated recession risks driven by factors such as tariffs, federal policy changes, and a temporary government shutdown, economic output rebounded more strongly than anticipated. Real GDP growth exceeded forecasts in mid-2025, and Oregon's economy began to recover after an early contraction, although it continues to slightly underperform national trends.

Economic growth improved in late 2025, but hiring remained weak, and unemployment increased in both the U.S. and Oregon. The cause is unclear, though hiring may lag behind growth. It is too early to determine whether technology or AI is significantly reducing labor demand.

From a revenue perspective, the state's General Fund outlook remains mixed. While some revenue sources, including lottery earnings and the Corporate Activity Tax, have seen modest increases, overall General Fund revenue projections remain below prior expectations, reflecting weaker personal income tax collections and continued uncertainty in taxpayer behavior. In addition, there is a potential for further declines in federal support, shifting responsibility for sustaining programs previously funded at the federal level, and increasing competition for already limited state resources. Long-term revenue growth is expected but remains subject to variability and forecast risk.

Budget Message

May 2026

Demographic trends further shape the outlook, with limited growth in college-age population (18–24) and slow overall population growth. These trends may constrain future enrollment growth for higher education institutions, though demand may increase during periods of weaker labor markets as individuals seek additional education and training.

Overall, the forecast reflects a stabilizing but uncertain environment, with moderate economic growth, constrained revenue conditions, increased demands on state revenues, and demographic shifts that have direct implications for community colleges' enrollment, funding, and long-term planning.

2026/27 General Fund Budget Assumptions

Resource Assumptions:

- State Operations for General Fund are based upon the Community College Support Fund of \$854.3 million for the 2025-27 biennium
- Property taxes reflect a 4% increase over the prior year projected for General Fund
- Tuition and Fee Adjustments for General Fund
 - Tuition revenue increase of 6.4%, inclusive of a \$4 per credit increase for in-state tuition (see resolution on page 103)
 - No increase in universal fee; changes in program and course fees (see resolution on page 105)
- Transfers In – see page 85 for details

Budget Message

May 2026

Requirement Assumptions:

- Placeholder for management salary increase of 4.73%, pending final determination
- Full Time Faculty salary schedule increase of 4.99% to statewide average, plus one step; 174 standard contract days; pending final determination
- Adjunct Faculty salary schedule increase of 4.99% pending final determination; projected for General Fund
- Faculty Professional salary increase of 3.5%, pending final determination
- Placeholder for Classified salary schedule increase of 5.05%, pending final determination
- Student employment funding increased 2.7% for General Fund
- Health insurance contractually stipulated increase of 6%
- PERS rate approximately 20.82%
- Fixed District costs, Departmental Materials & Services and Capital projected for General Fund
- Transfers Out – see page 85 for details

Budget Themes and Calendar

2026/27 Budget Themes

The 2026/27 budget reflects deliberate decisions to align resources with Rogue Community College's Strategic Plan. While financial realities require difficult choices, our focus remains on investing in the programs and services that have the greatest impact on student success, workforce development, and the long-term sustainability of the College.

A. Student Pathways & Workforce Alignment

- Align instructional resources with student demand and regional workforce needs
- Strengthen partnerships that expand access and improve student pathways
- Focus programs and courses on completion, transfer, workforce training, and family-wage careers
- Prioritize investments that improve student success and regional economic vitality

Strategic Plan Alignment

- *WIG 1: Equitable Access – Expanding access through partnerships and responsive programs*
- *WIG 2: Student Success – Supporting persistence, completion, and workforce readiness*

B. Core Services & Financial Sustainability

- Preserve core instructional and student support services
- Realign staffing and operating resources to the College's highest priorities
- Make strategic reductions while continuing targeted investments in student success
- Use one-time reserves responsibly while reducing ongoing operating costs

Strategic Plan Alignment

- *WIG 4: Institutional Excellence – Strengthening stewardship, financial sustainability, and operational effectiveness*

C. Safety, Security & Essential Infrastructure

- Address critical safety and security needs across the College
- Prioritize essential facility maintenance and infrastructure improvements
- Delay lower-priority technology and facility enhancements until resources allow
- Manage facilities and shared operating costs to support long-term sustainability

Strategic Plan Alignment

- *WIG 1: Equitable Access – Maintaining safe, accessible, and welcoming learning environments*
- *WIG 4: Institutional Excellence – Protecting the facilities and infrastructure that support teaching and learning*

Budgeted Revenues

Rogue Community College has a diversified revenue structure consisting of local property taxes, student tuition and fees, federal and state aid, grants, and other revenues.

Revenue Source	Amount
Federal Sources	\$23,737,233
State Sources	28,156,014
Local Sources	24,002,263
Tuition and Fees	21,541,171
Other Revenue	8,969,119
Total Revenue	\$106,405,800

Property Taxes

Rogue Community College receives property taxes based upon assessed property values in Jackson and Josephine Counties. A tax rate limitation was established in 1990 as the result of an amendment to Article XL Section 11b of the Oregon Constitution, often called “Measure 5.” Measure 5 limits education taxes to \$5 per 1,000 of the taxable real market value of property. If taxes on a property exceed the \$5 limit, tax rates are compressed, thereby reducing potential revenue received by the College. Additionally, Measure 50, passed in 1997, cut taxes, introduced assessed value growth limits, and replaced most tax levies with permanent tax rates. It transformed the system from one primarily based on levies to one primarily based on rates. RCC’s permanent tax rate is \$0.5128 per \$1,000 of assessed value.

Property tax revenues are incorporated into the state funding formula and are thus subject to equalization across all 17 community college districts. When forecasting property tax revenues, staff review county records for assessed value and collection rates, actual collections, and housing market trends and forecasts. Property tax revenues collected from the permanent tax rate currently constitute 32%, or \$19.5 million, of the College’s 2026/27 projected General Fund revenue.

Property Taxes

Oregon Revised Statute (ORS) 341.675 establishes the parameters for general obligation bonded indebtedness for community college districts, making it clear that such debt is repaid through a property tax levy approved by voters, and not from a college's operational budget. In 2005 and 2016, taxpayers passed RCC's bond levy for capital projects. The bonds related to the 2005 levy were retired in June 2025. The bonds related to the 2016 levy will mature in 2034.

Community College Support Fund

The Community College Support Fund (CCSF) is the biennial allocation from the Oregon Legislature that provides funding to the state's 17 community colleges. The budget cycle runs from July 1 of an odd-numbered year through June 30 of the next. Funds are disbursed to the 17 community colleges based on a distribution formula.

The goal of the formula is to fairly distribute state funds to Oregon's 17 community colleges, with a focus on supporting student access and success. Each college receives a base operational amount to ensure all institutions, regardless of size, have foundational funding. The remaining funds are distributed in two main ways: reimbursable full-time equivalent (FTE) enrollment and student success and support headcount.

FTE funding is based on the number of eligible students enrolled in instructional activities, reflecting the instructional workload. Headcount-based funding supports student success and prioritizes support for key student groups. These include low-income students, adults returning to education, underrepresented populations, and those enrolled in career and technical education (CTE) or workforce training programs. This approach helps ensure colleges can provide the services and resources necessary to support these students in reaching their academic and career goals.

Community College Support Fund

Principles of the Formula

- Access - Funding follows the student.
- Equality - Equalization of public resources per student using growth management.
- Quality - Adequate funding per student.
- Stability - Using a three-year weighted average and a base payment.

CCSF Shift Toward Student Success and Student Support

- Set allocation grows each year through FYE 2029
- Early years emphasize student support
- Starting in FYE 2030, 10% of CCSF

Student Success

- A three-year weighted average of success metrics:
 - Earned 15+ hours
 - Earned 30+ hours
 - Non-credit thresholds
 - Completed gateway course
 - All credential completions
- Weights applied by type of success metric:
 - 10% for progression,
 - 100% for completion,
 - 150% for priority group completions

Student Support

- Headcount of priority groups using a three-year, weighted average
- Additional weighting for students from multiple groups (20%, 30%, 40%)
- Priority groups are:
 - Low-income
 - Adults
 - Underrepresented
 - CTE/Workforce Training

Tuition and Fees

Rogue Community College strives to keep tuition as low as possible without impairing the quality of programs and services.

This chart shows RCC's in-district tuition and fees compared to the state average from FYE 2019 through 2026. While our rates were higher through 2024, the state average surpasses RCC in 2025. This shift reflects our ongoing commitment to affordability and the strong stewardship of our financial resources. Thanks to careful budgeting and thoughtful planning, we've been able to limit tuition increases while continuing to support students and maintain service levels.

Budgeted Expenditures by Fund Type

General Fund: This fund reflects the general operations of the College, including all financial resources and expenditures of the College, except for those required to be accounted for in another fund.

Capital Projects Fund: This fund accounts for the purchase, construction or remodel of buildings, land, and deferred maintenance.

Debt Service Fund: This fund accounts for the accumulation of resources for, and payment of, principal and interest on the College's long-term debt obligations.

Special Revenue Funds: These funds account for revenues and expenditures for specific projects that are legally and/or administratively restricted for a specific purpose.

Revenue Source	Amount
General Fund	\$61,827,422
Capital Project Fund	22,513,271
Debt Service Fund	6,627,092
Special Revenue Funds	59,584,113
Total Revenue	\$150,551,898

Budgeted Full-Time Equivalent Positions

Full-Time Equivalent (FTE) employees are presented by appropriation and include Management, Administrative, and Confidential (MAC) employees, Full-Time Faculty, and Classified staff. This view provides a comprehensive picture of staffing resources supported within each appropriation area.

Adjunct faculty, temporary staff and student employees are budgeted by dollar amount versus individual positions. During the annual audit the FTE of these positions is determined and reported in the Annual Comprehensive Financial Report.

Appropriation	FTE
Instruction	80.28
Instructional Support	48.55
Community Services	3.51
Student Services	74.51
Support Services	103.19
Total FTE	310.04

Current Debt Obligations

In 2005, the College issued \$21.03 million in Limited Tax Pension Obligation Bonds, and in 2021, it issued \$31.54 million in Federally Taxable Pension Obligation Bonds, both of which are direct obligations pledging the full faith and credit of the College. Bond proceeds were paid to the Oregon Public Employees Retirement System. An intercept agreement with the State of Oregon was required as a condition of issuance for both pension bonds; therefore, a portion of the Community College Support Fund support is withheld on August 15, October 15, and January 15 to repay debt. Funds are accumulated and invested by a trust officer, and the annual principal payments are made each June 30, and interest payments are made each June 30 and December 30, beginning December 2005 and ending June 2040. The College recorded the amount deposited with PERS as a prepayment of its unfunded actuarial liability and accounts for the payment of principal and interest as pension expense annually. The prepayment is amortized over the life of the bonds based on the straight-line method. The College anticipates the total cost of financing the College's unfunded actuarial liability in this manner will result in significant savings to the College when compared to paying for such costs as additional contribution rates to PERS.

General Obligation Bonds are direct obligations and pledge the full faith and credit of the College.

The following pages contain the College's schedules of debt to maturity.

¹The SNAP Training and Employment Program (STEP) is a federally-recognized Supplemental Nutrition Assistance Program Employment and Training (SNAP E&T) Program. STEP assists SNAP participants in receiving job skills training, finding work, or gaining experience that will increase their ability to secure and maintain employment in a family-wage job. Participation in STEP is voluntary, and is a qualifying service for allowing able-bodied adults without dependents (ABAWDs) to maintain access to vital supplemental food assistance while attending college. STEP participation includes needs assessment, training and employment-related activities, and wraparound support services.

Intra-College Fund

The Intra-College Fund accounts for activities performed by the College for the benefit of the College. Activities include Associated Student Government of Rogue Community College, Professional Growth, Athletics, and other departmental charges. Intra-fund transfers are not consolidated in these reports.

Proprietary Fund Type

Proprietary Fund type is used to account for operations that are financed and operated in a manner similar to those of private business enterprises. The intent is that the cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

Auxiliary Services Fund

The Auxiliary Services Fund is no longer necessary as the activity accounted for in the fund is no longer enterprise in nature. The operating costs of the current auxiliary service activity and calculator rental related activity are moving to the General Fund in fiscal year 2026/27; the Auxiliary Service sales activity is moving to the Intra-College Fund in fiscal year 2026/27.

The background of the slide features a stylized, abstract illustration of a mountain range and a winding river. The mountains are depicted in various shades of blue, with the highest peaks in a darker blue and the lower slopes in lighter, more translucent blues. The river is represented by a white, winding path that flows from the bottom center towards the right side of the slide. The overall aesthetic is clean and modern, with a focus on natural elements.

Resolutions

Adopt 2026/27 Budget

Recommendation of the President: That the Rogue Community College (RCC) Board of Education (Board) approve Resolution No. B55-25/26 to adopt the 2026/27 Budget and make applicable appropriations.

Background Information: In accordance with ORS 294.453, a public hearing was held at 5:00 p.m. on June 16, 2026, to receive public testimony on said budget. That testimony being considered, a formal action of the Board must take place to adopt the budget and set appropriations.

Whereas, local budget law (ORS 294.456) requires adoption of the budget, making appropriations and levying all taxes required and to categorize the levy as provided in ORS 310.060; therefore, be it

Resolved, that the Board of Education of Rogue Community College District hereby approve Resolution No. B55-25/26 to adopt the budget for 2026/27 in the total amount of \$150,551,898, and file it in the office of the Deputy Clerk; and be it

Resolved, that the amounts for the fiscal year beginning July 1, 2026, and for the purposes shown below, are hereby appropriated as follows:

Board Action: Approved

Jonathan Bilden, Vice Chair, RCC Board of Education

Dated: June 16, 2026

Impose 2026/27 Taxes

Recommendation of the President: That the Rogue Community College (RCC) Board of Education (Board) approve Resolution No. B56-25/26 to levy all taxes as required by the 2026/27 budget.

Background Information: In accordance with ORS 294.456, the Board must declare the Measure 5 limitation category of each of its taxes. The resolution is the basis for the certification of tax limitation category that is submitted to the assessor on form ED-50 (ORS 294.555).

Whereas, local budget law (ORS 294.456) requires adoption of the budget, making appropriations and levying all taxes required and to categorize the levy as provided in ORS 310.060; therefore, be it

Resolved, that the Board hereby imposes the 2026/27 taxes provided for in the adopted budget at the permanent tax rate of \$0.5128 per \$1,000 of assessed value for operations for Jackson and Josephine Counties and the amount of \$1,691,244 for the Jackson and Josephine County levies for payment of bonded debt; and that these taxes are hereby imposed for tax year 2026/27 upon the assessed value of all taxable property within the district and categorized as follows:

	<u>Education</u>	<u>Excluded from Limitation</u>
Permanent Tax Rate	\$0.5128/\$1,000	
General Obligation Bond		
Measure 17-69 (Jackson and Josephine Counties)		<u>\$1,691,244</u>
Total General Obligation Bonds		<u>\$1,691,244</u>

And, that authority is hereby given to the Deputy Clerk to sign and file all state and local forms, as may be determined by the Oregon Legislative body or called for by the Oregon Constitution relating to this Resolution;

Therefore, be it Further Resolved, that the Vice President of Operations & Finance/Chief Operations Officer (Deputy Clerk) certify to the County Assessor (or other Assisting Officer), of Jackson and Josephine Counties, Oregon, the tax levy made by this Resolution, and shall file with them a copy of this Resolution to Impose 2026/27 Taxes for Rogue Community College.

Board Action: Approved

Jonathan Bilden, Vice Chair, RCC Board of Education

Dated: June 16, 2026

Budget Committee
Approve 2026/27 Budget and Property Taxes for Board Action

Recommendation of the President: That the Rogue Community College (RCC) District Budget Committee adopts Resolution No. B49-25/26, approving the 2026/27 budget and setting the amount or rate of property taxes to be imposed as presented, for action by the Board of Education in June 2026.

Background Information: RCC has established a Budget Committee (Committee) in accordance with ORS 294.414. On May 12, 2026, the Committee reviewed the 2026/27 proposed budget pursuant to Oregon budget law. This meeting was open to the public, and due notice was provided. Updates to the budget since that date will be presented at the public hearing, where public comment will be accepted, on the 2026/27 budget to be held May 19, 2026, at 3 pm prior to action on this resolution. The Budget Committee Chair, Kevin Talbert, is the designated presiding officer (ORS 294.414(9)) for the 2026/27 budget approval process.

It is the Committee's duty to approve the budget document as submitted by the budget officer or as revised by the Committee. This approval includes specification of the property tax rate for all funds. After budget approval, the Committee's duties cease with regard to the budget process.

Whereas, local budget law (ORS 294.414) requires approval of the budget by a Board-appointed Budget Committee, before being adopted by the RCC Board of Education; and

Whereas, all presentations have been made, all patron input offered/received, and all other related issues discussed, the Committee shall approve and/or revise the budget as proposed; therefore, be it

Resolved, that the Budget Committee of the RCC District adopt Resolution No. B49-25/26 approving the budget for the 2026/27 fiscal year, for action by the Board of Education in June 2026, for total requirements in the amount of \$150,551,898 and the property taxes for the 2026/27 fiscal year at the permanent rate of \$0.5128 per \$1,000 of assessed value for operating purposes in the General Fund and in the amount of \$1,691,244 for the general obligation bond principal and interest in the Debt Service Fund.

Committee Action: Approved

Kevin Talbert, Chair, RCC District Budget Committee

Dated: May 19, 2026

Approve 2026/27 Tuition Rates

Recommendation of the President: That the Rogue Community College (RCC) Board of Education (Board) adopt Resolution No. B33-2025/26 approving the 2026/27 Tuition Rates effective summer term 2026.

Background Information: Beginning in 2026/27, RCC will offer its first Bachelor of Applied Science (BAS) degree. Tuition rates for the BAS are established separately from Associate of Arts (AA) and other lower-division coursework in recognition of the upper-division nature of the program. The BAS tuition schedule reflects upper-division coursework pricing and does not alter the tuition structure for AA or other associate degree programs.

Proposed rates for the 2026/27 Tuition Schedule include a \$4 tuition increase for in state. Rates will be \$128 per credit; \$160 per credit for out-of-state; \$429 per credit for international. RCC's tuition rates, including fees, are determined by Resolution Nos. P28-96/97 and P53-96/97 (December 1996), and B76-98/99 (1998), which set a maximum for tuition at \$1,000 (in-state); \$2,000 (out-of-state) and \$3,000 (international), causing tuition to be adjusted downward. Below is a history of RCC's tuition schedule for the past nine years for AA and proposed BAS.

Year (AA)	In-State (AA)	Out-of-State (AA)	International (AA)
2026/2027	\$128	\$160	\$429
2025/2026	\$124	\$155	\$415
2024/2025	\$122	\$151	\$407
2023/2024	\$120	\$148	\$400
2022/2023	\$120	\$148	\$400
2021/2022	\$120	\$148	\$400
2020/2021	\$116	\$143	\$387
2019/2020	\$112	\$137	\$374
2018/2019	\$107	\$131	\$358

Year (BAS)	In-State (BAS)	Out-of-State (BAS)	International (BAS)
2026/2027	\$211	\$264	\$496

Tuition and fee amounts are reviewed annually by the Budget Advisory Team (BAT), chaired by the College's Vice President of Operations and Finance. BAT reviews the tuition and fee schedules to coincide with the budget development process. BAT has reviewed the 2026-27 Tuition Schedule and considered the revenue generated to ensure tuition will be properly reflected in the 2026-27 Proposed Budget.

This is a second reading.

Whereas, RCC tuition rates are reviewed annually in the Budget process and determined in accordance with Resolution Nos. P28-96/97, P53-96/97, and B76-98/99

Whereas, RCC has taken into consideration revenues, expenditures, projected enrollment, and the implementation of its first Bachelor of Applied Science (BAS) degree program for the 2026/27 fiscal year; and

Whereas, The proposed tuition schedule establishes separate per-credit rates for Associate of Arts (AA) coursework and Bachelor of Applied Science (BAS) upper-division coursework, with increases of \$4 per credit (in-state AA), \$4 per credit (out-of-state AA), and \$13 per credit (international AA), and establishes new BAS rates of \$211 per credit (in-state); \$264 per credit (out-of-state); and \$496 per credit (international); therefore, be it

Resolved, that the RCC Board of Education adopts Resolution No. B33-25/26 approving the 2026/27 Tuition Schedule, including separate tuition rate structures for Associate of Arts (AA) and Bachelor of Applied Science (BAS) programs, effective summer term 2026.

Board Action: Approved

Vanessa Jones, Chair, RCC Board of Education

Dated: March 17, 2026

Approve 2026/27 Fee Schedule

Recommendation of the President: The Rogue Community College (RCC) Board of Education (Board) adopts Resolution No. B34-25/26 approving an amendment to the 2026/27 Student Fee Schedule (attached), effective summer term 2026.

Background Information: RCC's tuition rates, including fees, are determined by Resolution Nos. P28-96/97 and P53-96/97 (December 1996), and B76-98/99 (1998).

In 2020/21, RCC moved to a different pricing structure that imposes fees on courses and programs with high operating costs. High-operating cost courses (programs and certificates) have one or more of the following: course-specific equipment and technology, limited enrollment or lower-than-average teacher-student ratios, college-provided instructional supplies, and required practicum, lab, or clinical hours. Several factors have influenced RCC's decision to move to this pricing model.

Tuition and fee amounts are reviewed annually by the Budget Advisory Team (BAT), chaired by the College's Vice President of Operations and Finance. BAT reviews the tuition and fee schedules to coincide with the budget development process. BAT has reviewed the 2026/27 Fee Schedule and considered the revenue generated to ensure fees are correctly reflected in the 2026/27 Fee Schedule (attached) and the 2026/27 Proposed Budget. BAT is recommending the following increase in fees:

Glossary of Terms

Adopted Budget – The financial plan adopted by the College.

Appropriation – (1) A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purpose, usually with specific limitations as to amount, purpose and time limits. (2) An account used to record the budgetary appropriation for the period.

Beginning Fund Balance – The amount of unexpended funds carried forward from one fiscal year to another.

Bond – A certificate of debt issued by a government or corporation guaranteeing payment of the original investment plus interest by a specified future date.

Capital Improvement Fund Type – The Capital Improvement Funds account for the receipt and disbursement of resources for buildings and land. The principal revenues include proceeds from the sale of buildings, bond levy proceeds and transfers in from other funds.

Capital Projects Fund – This fund accounts for the purchase or remodel of buildings and land and deferred maintenance. The principal revenue is from the sale of voter approved general obligation bonds, transfers in from other funds, state funding, such as the Article XI-G Higher Education Facilities and Community College Bonds, financed by the state and local resources.

Debt Service Fund Type – The Debt Service Funds account for the accumulation of resources for and payment of principal and interest on the College's long-term debt obligations.

Debt Service Fund – This fund accounts for the accumulation of resources for and payment of principal and interest on the College's long-term debt obligations including the General Obligation Bonds and Limited Tax Pension Obligation Bonds. The principal revenue is property taxes approved for bond levies and the PERS Bond expense charged to other funds.

Encumbrance – The formal accounting recognition of commitments to expend resources in the future.

Glossary of Terms

Fund – A division in the budget with independent fiscal and accounting requirements with a self-balancing set of accounts for its assets, liabilities, fund balance, revenues and other additions, expenditures and other deductions, and transfers.

General Fund – The General Fund covers general operations of the College and accounts for all financial resources and expenditures of the College, except for those required to be accounted for in another fund. The principle sources of revenue include tuition, property taxes, and state community college support.

Property Taxes – Amounts received from tax levies based on the assessed valuation of real and personal property within a district.

Proprietary Fund Type – Proprietary Funds are used to account for operations that are financed and operated in a manner similar to those of private business enterprises. The intent is that the cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

- **Auxiliary Services Fund** – This fund accounts for the operation of ancillary activities for the College Store and calculator rental offered by the Math department.

Special Revenue Fund Type - The Special Revenue Funds account for revenues and expenditures for specific projects that are legally and/or administratively restricted for a specific purpose.

- **Community and Workforce Training Fund** – This fund accounts for the community education and workforce training instructional activities of the College. The principal revenue is tuition and fees.
- **Contract and Grant Fund** – This fund accounts for grants and contracts awarded to and for the College from federal, state and local sources. This fund is externally restricted.
- **Innovation Fund** – This fund accounts for investments in transformative changes positively impacting College sustainability. The principal revenue is transfers from the General Fund and the STEP contract with the state.

Glossary of Terms

- **Intra-College Fund** – This fund accounts for activities performed by the College for the benefit of the College. Activities include Associated Student Government of Rogue Community College, Professional Growth, Athletics, and other departmental charges. The principal revenue for this fund is transfers in from other funds.
- **Reserve Fund** – This fund accounts for the funds set aside for the following: PERS reserve held by the College for anticipated, future rate increases, and the unfunded actuarial liability; Reinvestment reserves for long-term, strategic planning to meet the College's objectives; Stability reserve established by the RCC Board of Education to be used to stabilize the College's funding. The principal revenue is transfers from the other funds.
- **Student Financial Aid Fund** – This fund accounts for student aid in the form of federal grants (Federal Pell Grant, Federal Supplemental Education Opportunity Grant), the Oregon Opportunity Grant (OOG), the Oregon Promise Grant (OPG), institutional scholarships (RCC Foundation), state scholarships administered by the Oregon Student Access Commission, third-party scholarships, federal work-study student employment, federal direct loans to students (subsidized and unsubsidized), and private student loans. This fund is externally restricted.

Transfers – May be made between funds within a fund group or among two or more fund groups and may be either mandatory or non-mandatory.

- **Mandatory Transfers** – Result from (1) binding legal agreements related to the financing of plant assets, including amounts for debt retirement, interest, and required provision for renewals and replacement of facilities not financed from other sources: and (2) sponsored program agreements with Federal agencies, donors, and other organizations to match gifts and grants.
- **Non-mandatory Transfers** – Made at the discretion of the governing board to serve a variety of objectives, such as additions to loan funds, additions to quasi-endowment funds, general or specific plant additions, voluntary renewals and replacements of facilities, and prepayment on debt principal.
